ACCOUNTAX
SCHOOL OF BUSINESS
A Profile in Distance Education

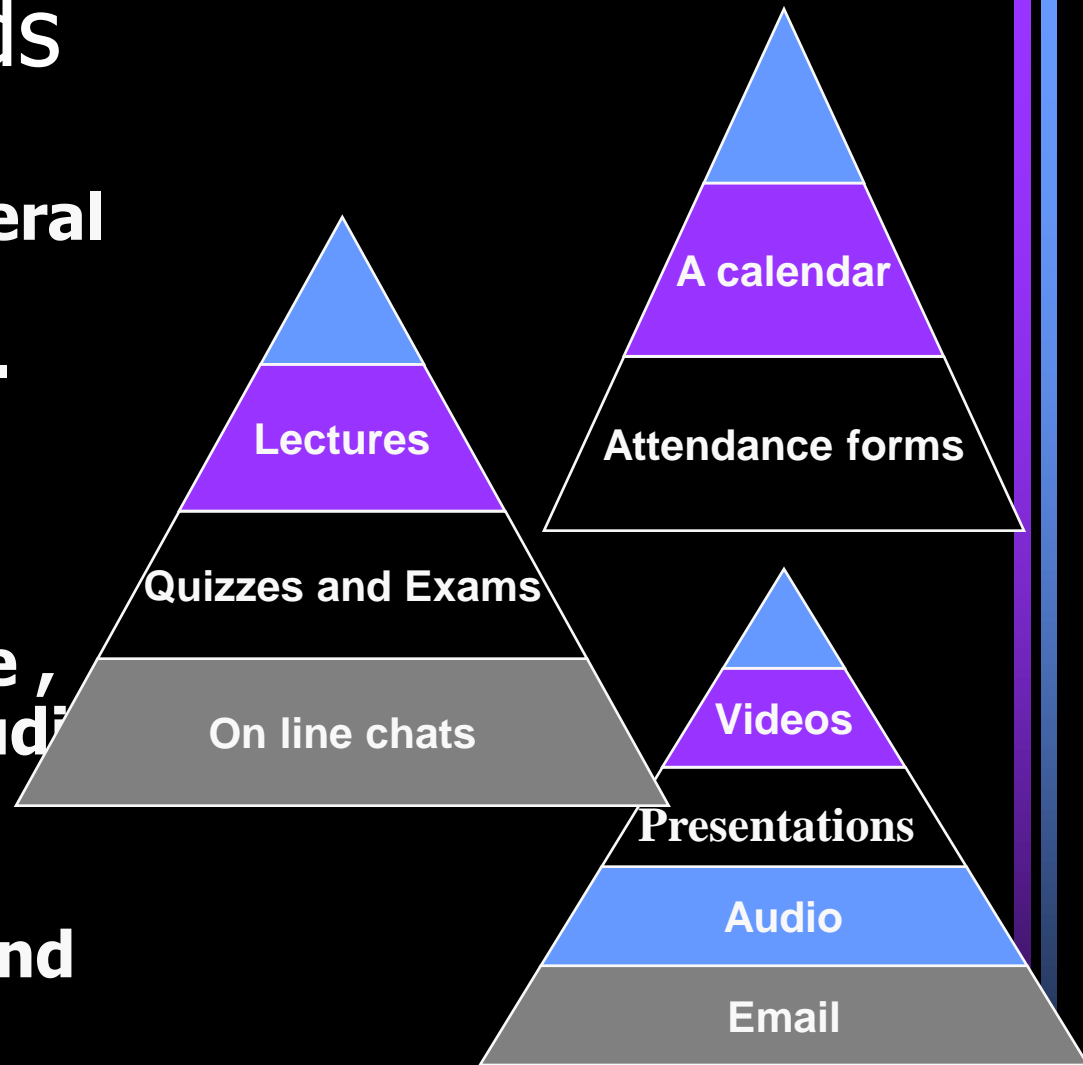

***"Certificate of Approval to Operate
Issued By The Illinois Board of Higher
Education. "***

Our Objective

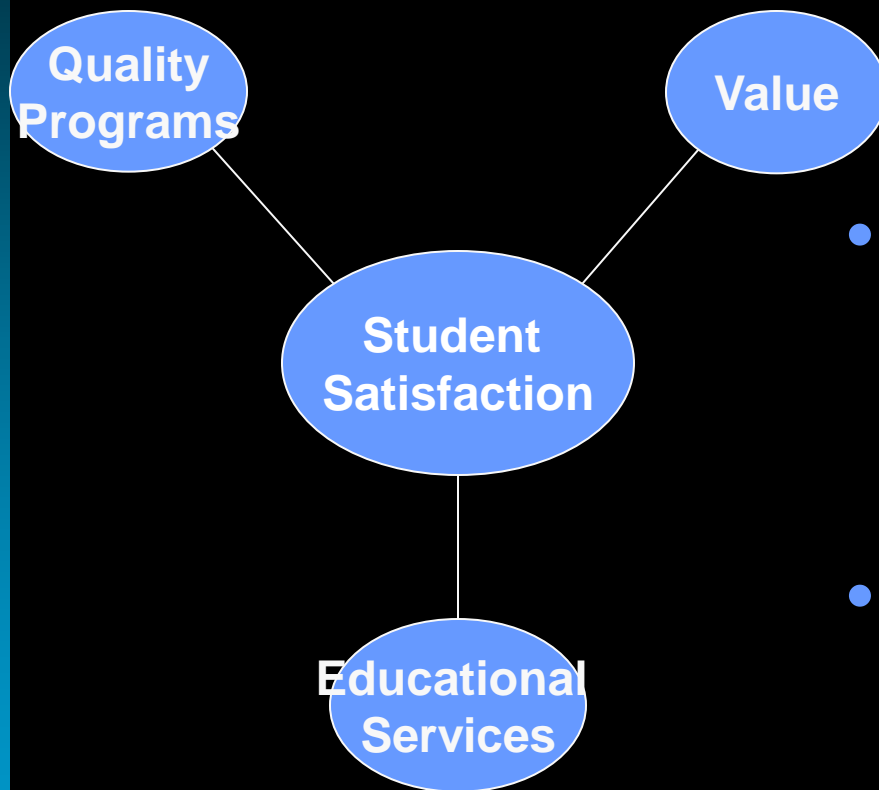

As educators we continue to remain sensitive to the need for education. Education is still the key to building employment skills. Providing academic programs is our main goal in order to promote and to enhance employment opportunities.

Meeting the Needs

- **We design our lectures using several textbooks from various publishers.**
- **Our quizzes and exams are self grading.**
- **We conduct on line , powerpoint and audio presentations.**
- **We provide an attendance form and a calendar to keep students informed.**

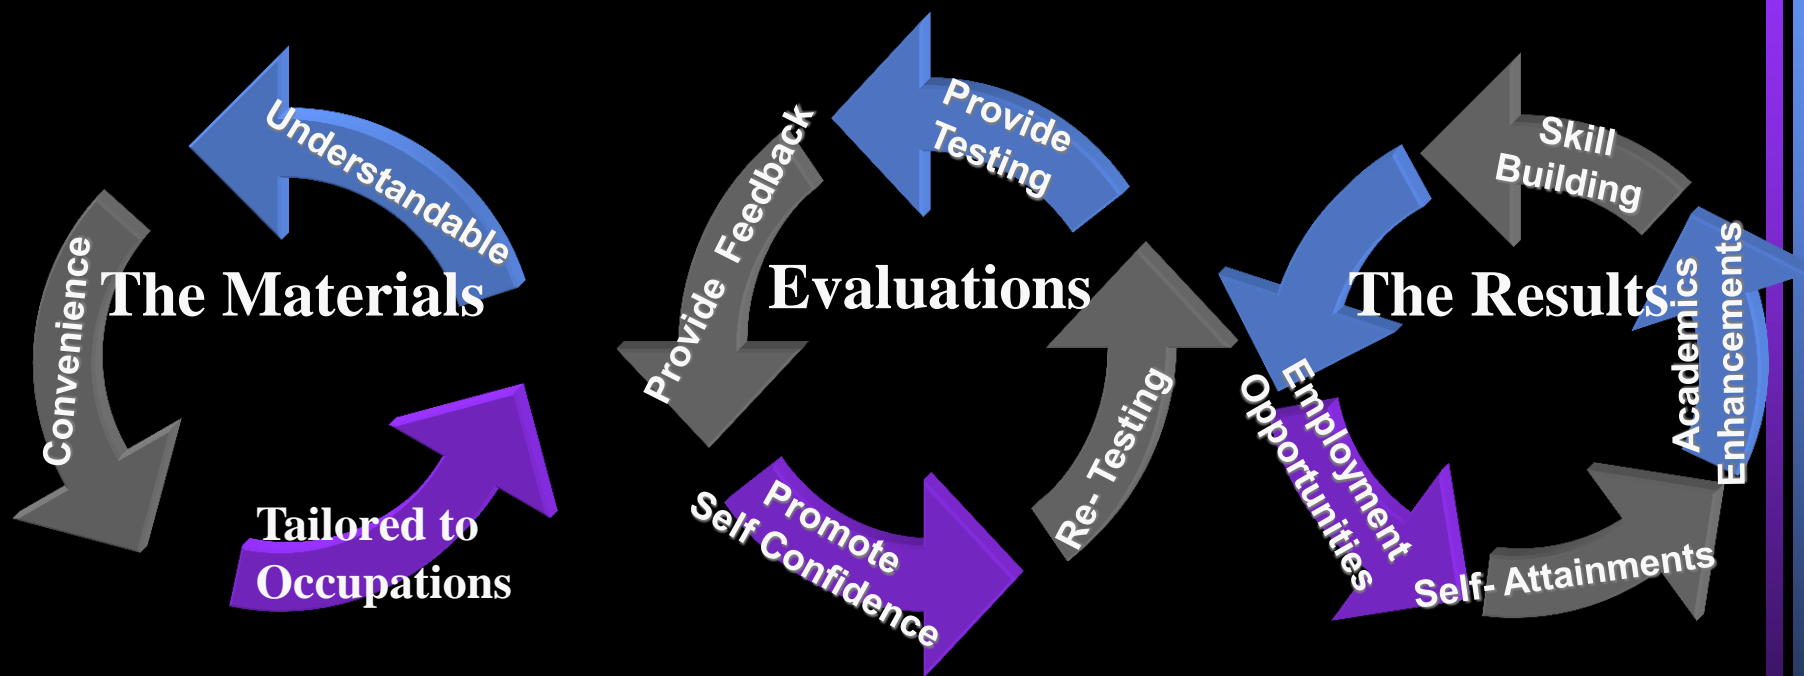

The Requirements

- **We provide quality educational programs.**
- **The value of our programs have been recognized by colleges, agencies, and other institutions of higher learning.**
- **Students have expressed their satisfaction with our material and the convenience of acquiring on line certifications.**
- **We provide a variety of educational and business services.**

Our Strengths

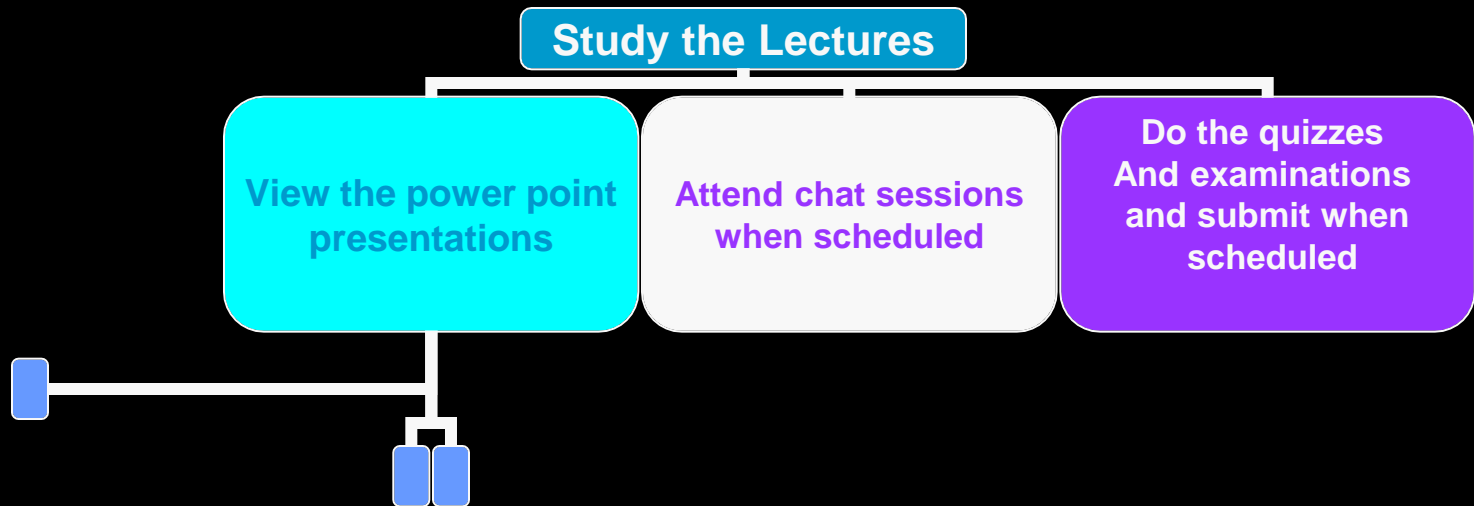

Cost Analysis

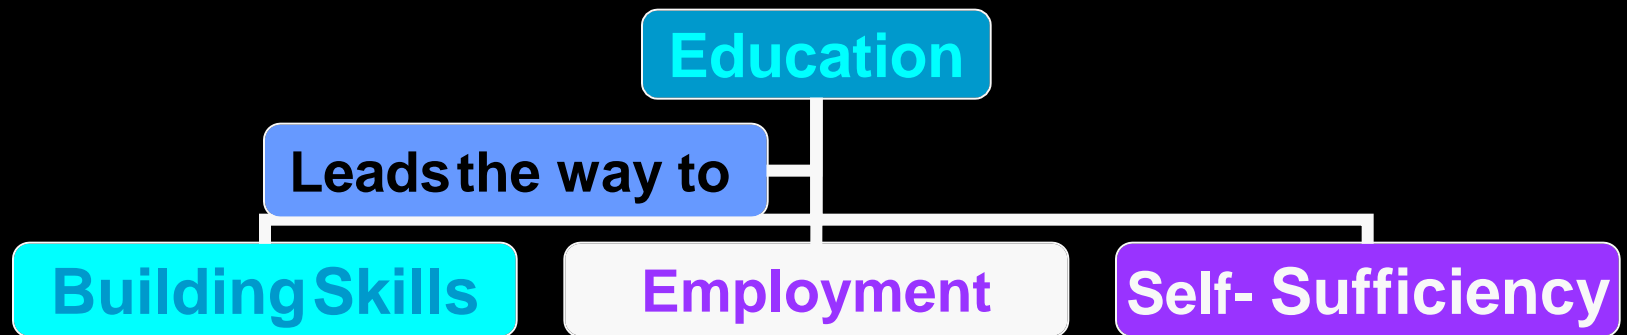

- **The cost of our programs are comparable to other secondary on line institutions.**
- **We provide all lecture presentations to be used in conjunction with the textbooks.**

The Registration fee is \$ 50. The secondary education tuition is \$400 per month	Transcripts will be issued to other secondary institutions upon formal requests.
A diploma will be awarded upon completion of 24 credits course.	Payment plans are available.

Here are some steps to follow:

Here is our Formula for Success:

How Our Programs Can Benefit You

On line learning offers more freedom for students. Students can enroll and select courses required for graduation. The lecture presentations, assignments, quizzes, and examinations offered in a “virtual classroom” on an individualized and self-paced basis.

**Please join us in enhancing the quality of life
by promoting education.**

**Education is the key ingredient that can
encourage success in life.**
