

Accountax School of Business is a private not for profit educational institution. We have been in operation since 2002.

- Authorized by the Internal Revenue Service for Continuing Education
- Recognized by the Tennessee State Board of Accountancy
- Approved by The Tennessee Commission on Continuing Legal Education
- Recognized by the Illinois State of Education for Professional Development

Our goal is to encourage professionals to continue their education through academics and educational training.

Our objective is to continue to strengthen the professional environments by providing educational programs that will motivate professionals to continue to practice using representation skills, ethical practices, and effective procedures.

Your Time as a Professional is Valuable

We offer a menu of on line courses for professional development and continuing education leading to certificates of completion. These courses are designed to accommodate your demanding schedule.

Professional Development

Professional learning increases educator effectiveness and results for all students occur within learning communities committed to continuous improvement, collective responsibility, and goal alignment.

We offer a number of professional development activities for educators to develop the knowledge, skills, practices, and dispositions they need to help

Enrolled Agent Review Course

Enrolled Agents (EAs) are tax practitioners with technical expertise in taxation and are fully authorized to represent taxpayers before all administrative levels of the Internal revenue Service including audits collections and appeals. Only Enrolled Agents, Attorneys, and CPA's are licensed to practice before the IRS and represent clients. This program incorporates Individual taxation, business taxation, and representation, practice, and procedures.

Basic Tax Preparation Course

Tax preparation courses makes a preparer more competent. Preparers will have a stronger basis of understanding and be able to pass on knowledge to their clients. This course incorporates theory and practice in tax preparation. The information is continually updated to reflect the new tax regulations and forms

Continuing Professional Education for CPA's Certified Public Accountants

CPA's are required to take continuing education to ensure competence and knowledge in finance and accounting.

WE ARE BUSINESS INSTRUCTORS AND IRS ENROLLED AGENTS WITH 50 YEARS OF CORPORATE EXPERIENCE.
